

Proshop Tee Times Point-of-Sale Recommended Equipment List

We developed Proshop Tee Times to help courses become more profitable by saving time and increasing revenue. We have designed Proshop Tee Times to work with a wide range of equipment. The last thing we want to do is force you to replace your equipment or buy really expensive equipment.

If you already have some equipment, it will most likely work.

Do not feel obligated to purchase this specific equipment.

We supply the links so you or your IT person can order and setup. It takes 90 minutes to 2 hours to setup, install Windows 10 Pro and windows updates. If you want us to order, setup, and install updates, there is a \$90 charge.

These prices are the best prices we have found and are subject to change. They do not include shipping or tax. We encourage you to search for the best deal.
